

## Data sheet

- (900-2C580)

## Technical data

Type	Order no.	900-2C580
Note   -	Туре	
Note   -	One and information	
Features 3G+ modern for external broadband communication 4x R.J45 LAN 100 Mbits (configurable LANWANI)? 2x digital input for internet release integrated web interface for configuration OpenVPN for save internet connection with TalkZM high level protection through access control serial port USB		
Ak R.J.A.S. LAN 100 Mbit's (configurable LANWAN)?  zk digital input for internet release 1 x digital output for display TalkZM integrated web interfaces for configuration Open/PN for save internet connection with TalkZM high level protection through access control  Inputs		
Inputs	Features	4x RJ45 LAN 100 Mbit/s (configurable LAN/WAN)? 2x digital input for internet release 1x digital output for display Talk2M integrated web interface for configuration OpenVPN for save internet connection with Talk2M
Outputs         -           Communication         Serial port           LAN         -           WAN         -           Modern type         -           Router         -           Router functions         -           RAS         -           VPN         -           VPN wode         -           Talk2M         -           Gateway protocols         -           Services         FTP HTTP           Client Services         FTP HTTP           Data management         -           Custom Website         -           Project         web interface           Integrated protocols         -           Integrated protocols         -           Alarm         -           Housing	Inputs and outputs

Mounting	Profile rail 35 mm	A YASKAWA COMPANY	
Mechanical data			
Dimensions (WxHxD)	42.6 mm x 107.8 mm x 98.3 mm		
Weight	202 g		
Environmental conditions			
Operating temperature	-20 °C to 70 °C		
Storage temperature	-40 °C to 70 °C		
Certifications			
UL certification	yes		
KC certification	yes
